

## Locker Room Agreement

Locker rental from the Rochester Figure Skating Club (RFSC) will be renewable on an annual basis, coinciding with the start of the Fall Ice Contract. Note: if an agreement is not on file by the start of the Fall Ice Contract and a skater makes use of the locker room there will be a \$10.00 fee per day charged to the skaters account. If you do not intend to take out a locker from one contract year to the next, please make sure to let the office know.

A monthly rental fee is collected to offset the cost of renting locker room space from the Rochester Rec Center, to purchase cleaning supplies and to keep up on locker room maintenance.

Rental of a locker is a privilege and should not be taken for granted. The RFSC Junior Board has come up with etiquette guidelines and responsibilities (see attached) to make the locker room a safe and welcoming environment for all. All members in the locker room are required to attend TWO locker room clean ups per contract year. Dates will be posted in the locker room, on the website and in the newsletter. If you fail to make it to two locker room clean ups, you will be removed from the locker room for six months and will be added to a waitlist after those six months.

I have read the attached RFSC Locker Room Etiquette and Responsibilities attachment and agree to follow the rules as stated by the Junior Board.

I agree to participate in TWO locker room clean ups during the contract year. I know that if I fail to do this, I will be removed from the locker room for six months and can then be added to the waitlist after those six months.
